Welcome to AXIS

An inspirational setting for your next event

science-park.co.uk

Welcome

AXIS is Southampton Science Park's new, inspirational conference and exhibitions centre. Designed with flexibility in mind, its three spaces are perfect for delegations of 20 to 200 people, depending on layout. Conveniently positioned at the heart of the Science Park, just minutes from the M27 and M3, AXIS is a place where connections are made, ideas gather pace and boundaries are surpassed!

Suitable for delegations of up to **200 people**

Just minutes away from the **M27** and **M3**

State-of-the-art **audio visual equipment**

Self-contained with **dedicated facilities**

A vibrant space to hold meetings, workshops and events

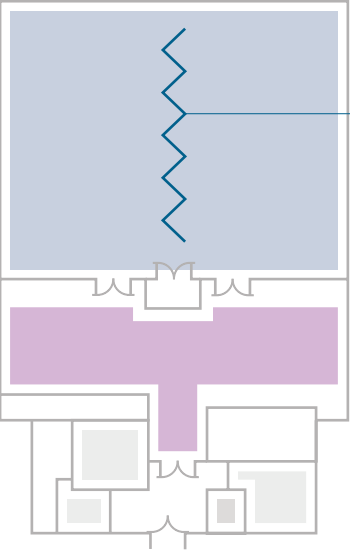

Customise the layout
to meet your specific
requirements

Flexible layouts

AXIS provides flexible spaces that can be set up to provide the perfect configuration for your event. A sound-proof central partition can divide the main event space into two identical rooms providing a venue that is equally suitable for a small classroom training session for 20 people or a large conference event for 200 people. The separate reception space is an ideal place for your delegates to network over food and refreshments.

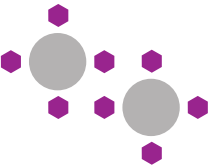

FLOOR PLAN

- Flexible room layout
 - Full room: 12m x 16m (40ft x 52ft)
 - Half room: 12m x 8m (40ft x 26ft)
- Main event space - full or half
- Reception and break-out space
- Cloakroom
- WCs

Theatre
200 people

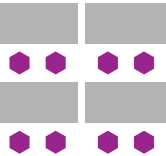

Cabaret
120 people

Classroom
20 people

“We really enjoyed running our World Trade Summit at AXIS, the conference centre at Southampton Science Park. Its state of the art facilities were ideal for the event and the team were extremely helpful and supportive.”

LESLEY BATCHELOR OBE, DIRECTOR GENERAL
THE INSTITUTE OF EXPORT & INTERNATIONAL TRADE

Quality support

High quality audio visual equipment, programmable mood lighting and wireless Clickshare technology make presenting in AXIS simple yet impressive. Microphones are available if required, but the room acoustics enable most presenters to be heard clearly without amplification. High capacity Wi-Fi is also available so that your delegates can remain online. A range of catering options can be provided for breakfast, lunch or dinner according to your requirements.
