Welcome

AXIS is Southampton Science Park's new, inspirational conference and exhibitions centre. Designed with flexibility in mind, its three spaces are perfect for delegations of 20 to 200 people, depending on layout. Conveniently positioned at the heart of the Science Park, just minutes from the M27 and M3, AXIS is a place where connections are made, ideas gather pace and boundaries are surpassed!

Suitable for delegations of up to **200 people**

Just minutes away from the **M27** and **M3**

State-of-the-art **audio visual equipment**

Self-contained with **dedicated facilities**

A vibrant space to hold meetings, workshops and events

Flexible layouts

AXIS provides flexible spaces that can be set up to provide the perfect configuration for your event. A sound-proof central partition can divide the main event space into two identical rooms providing a venue that is equally suitable for a small classroom training session for 20 people or a large conference event for 200 people. The separate reception space is an ideal place for your delegates to network over food and refreshments.

Quality support

High quality audio visual equipment, programmable mood lighting and wireless technology make presenting in AXIS simple yet impressive. Microphones are available if required, but the room acoustics enable most presenters to be heard clearly without amplification. High capacity Wi-Fi is also available so that your delegates can remain online. A range of catering options can be provided for breakfast, lunch or dinner according to your requirements.
